Microprocessors and Microcontrollers

(Regulation 2008)

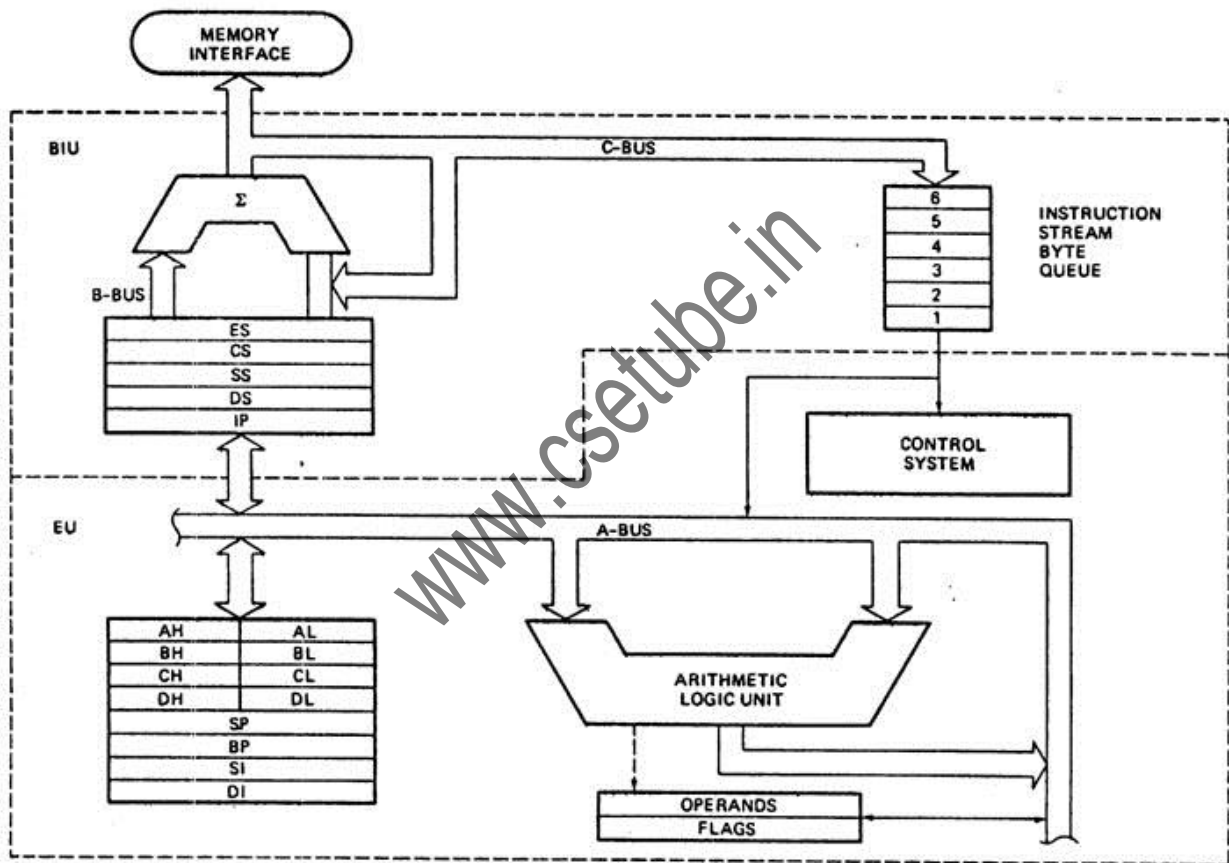

Prescribed Diagrams for Microprocessor:

Unit 1:

8085 Architecture

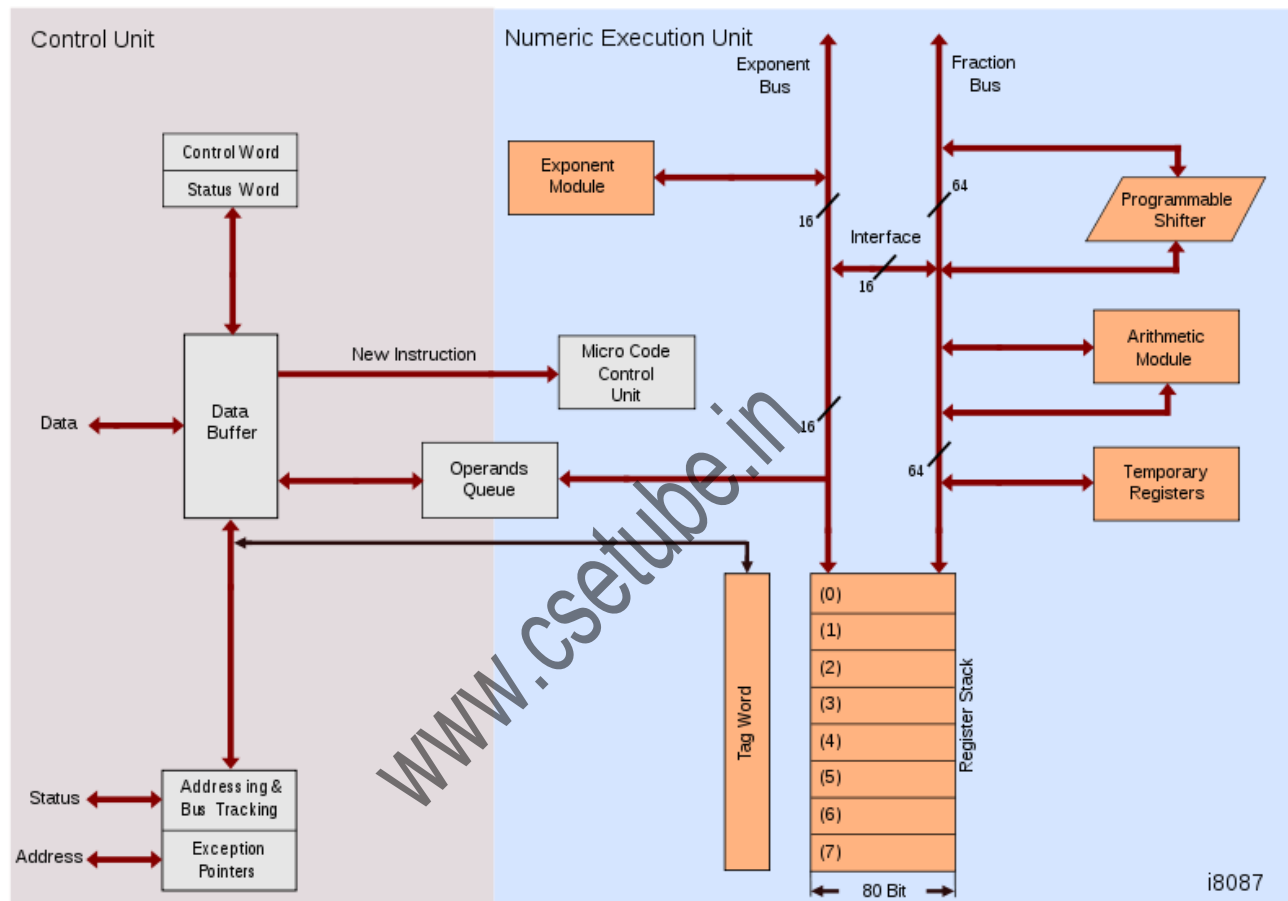

Unit 2: 8086 Architecture:

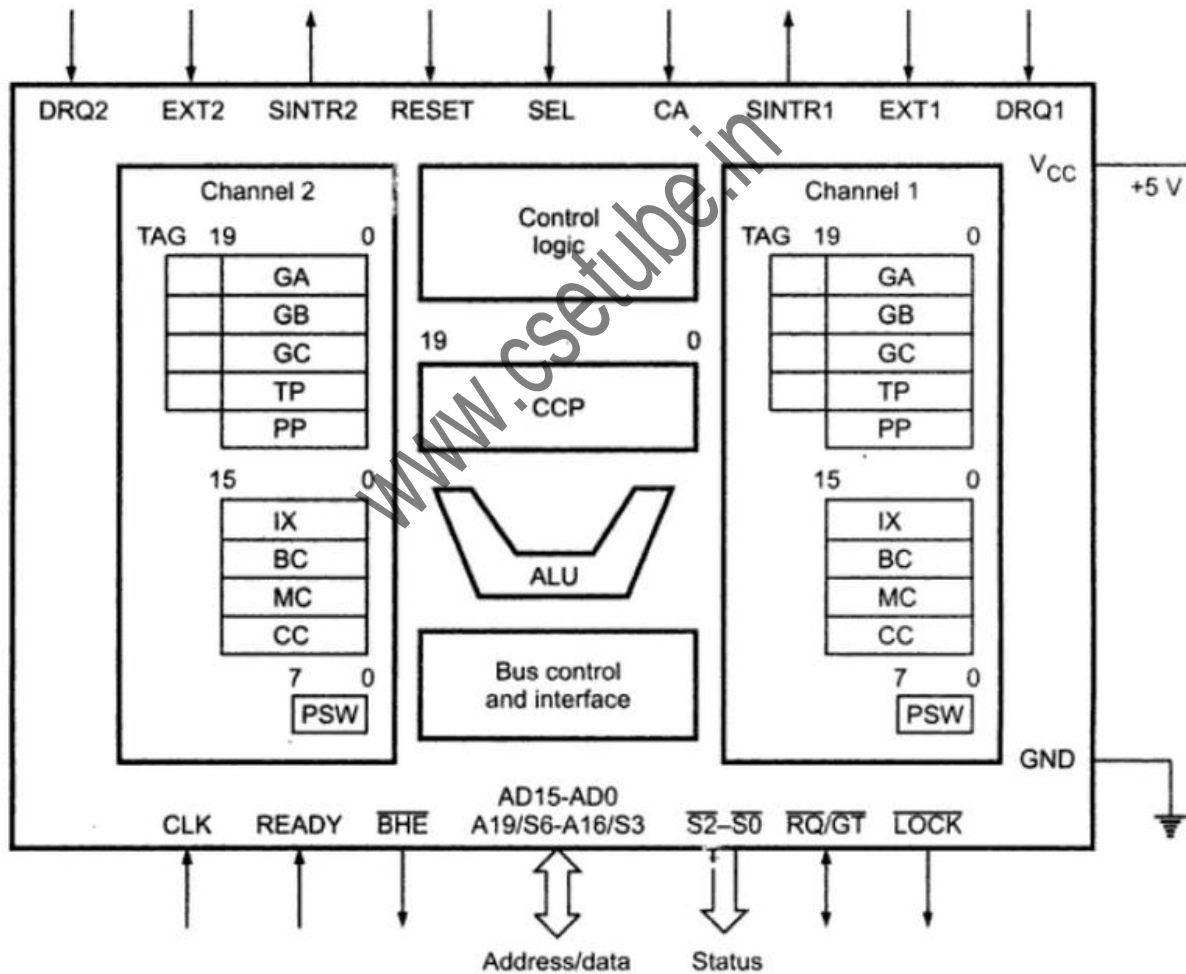

Unit 3 :

8087 Block Diagram

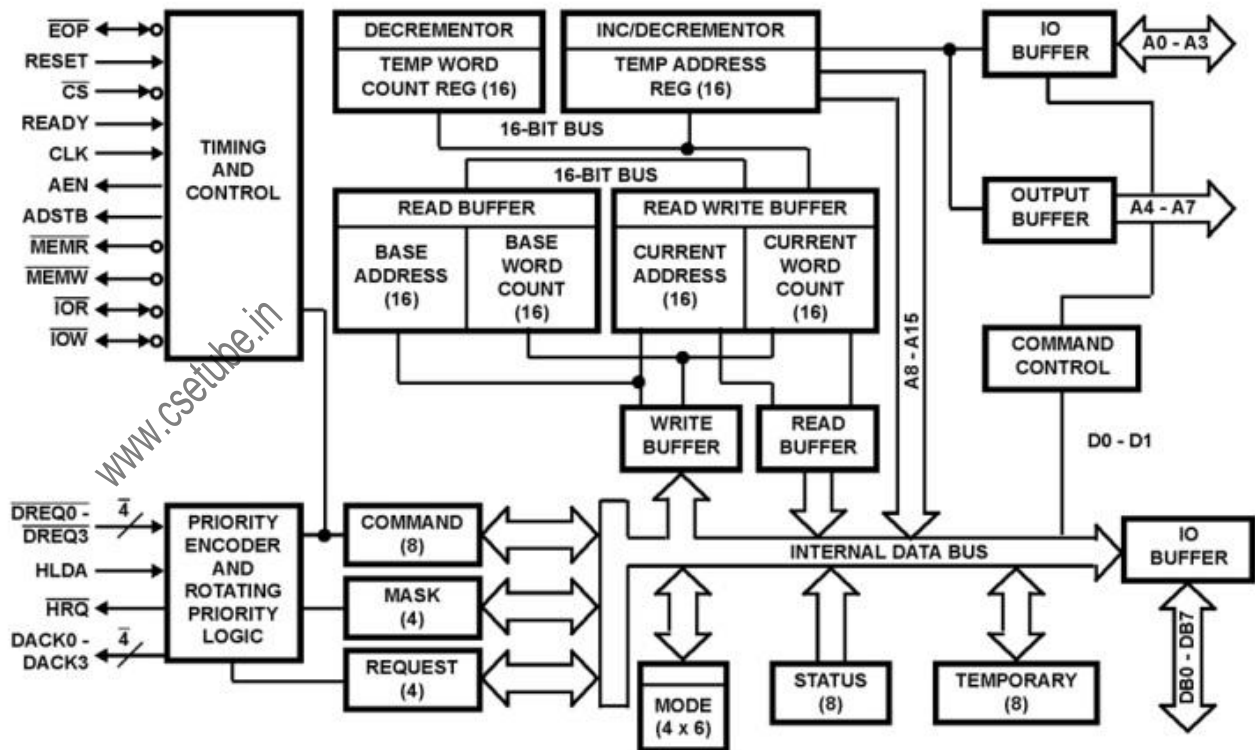

8089 Block Diagram:

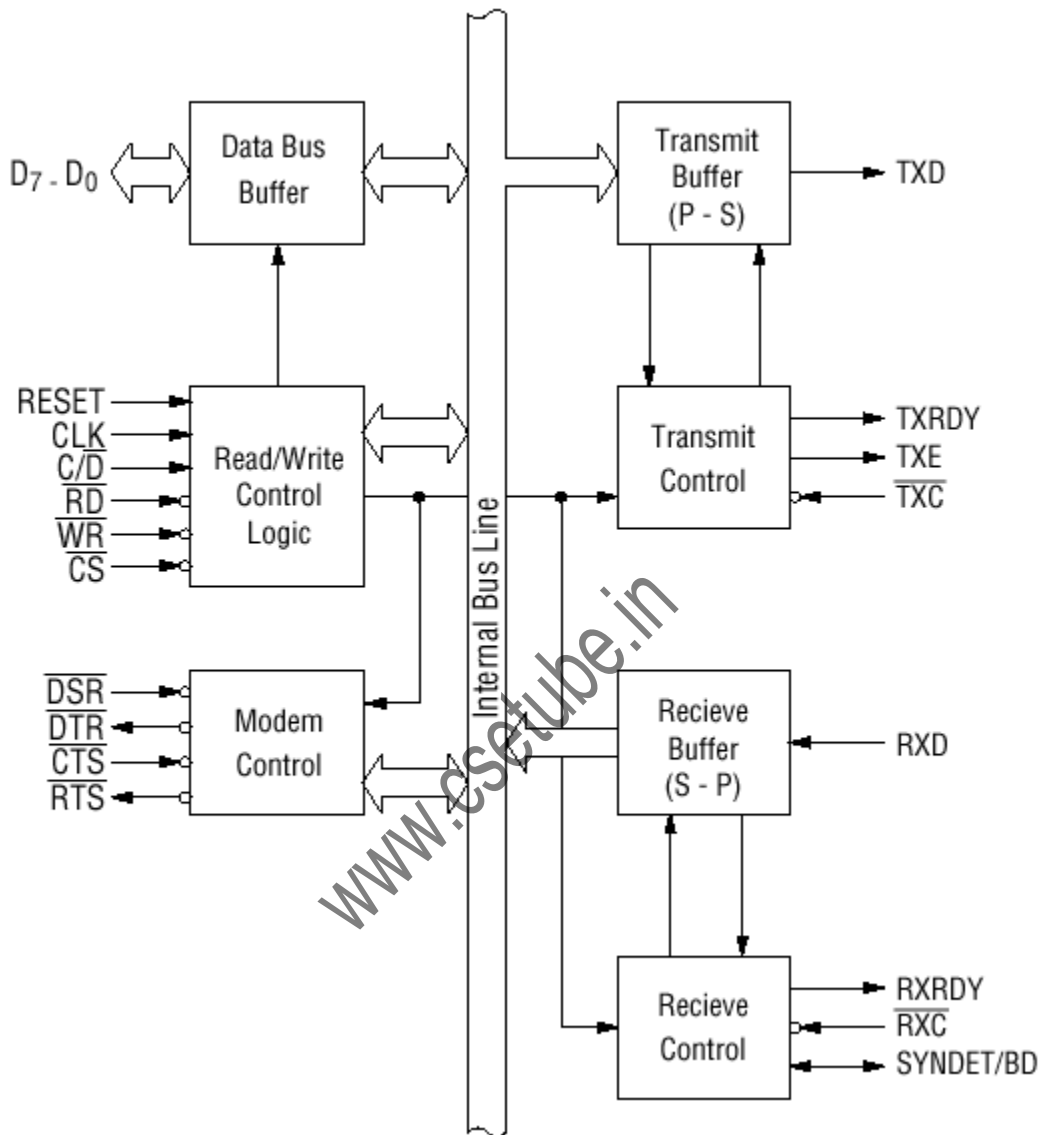

Unit 4:

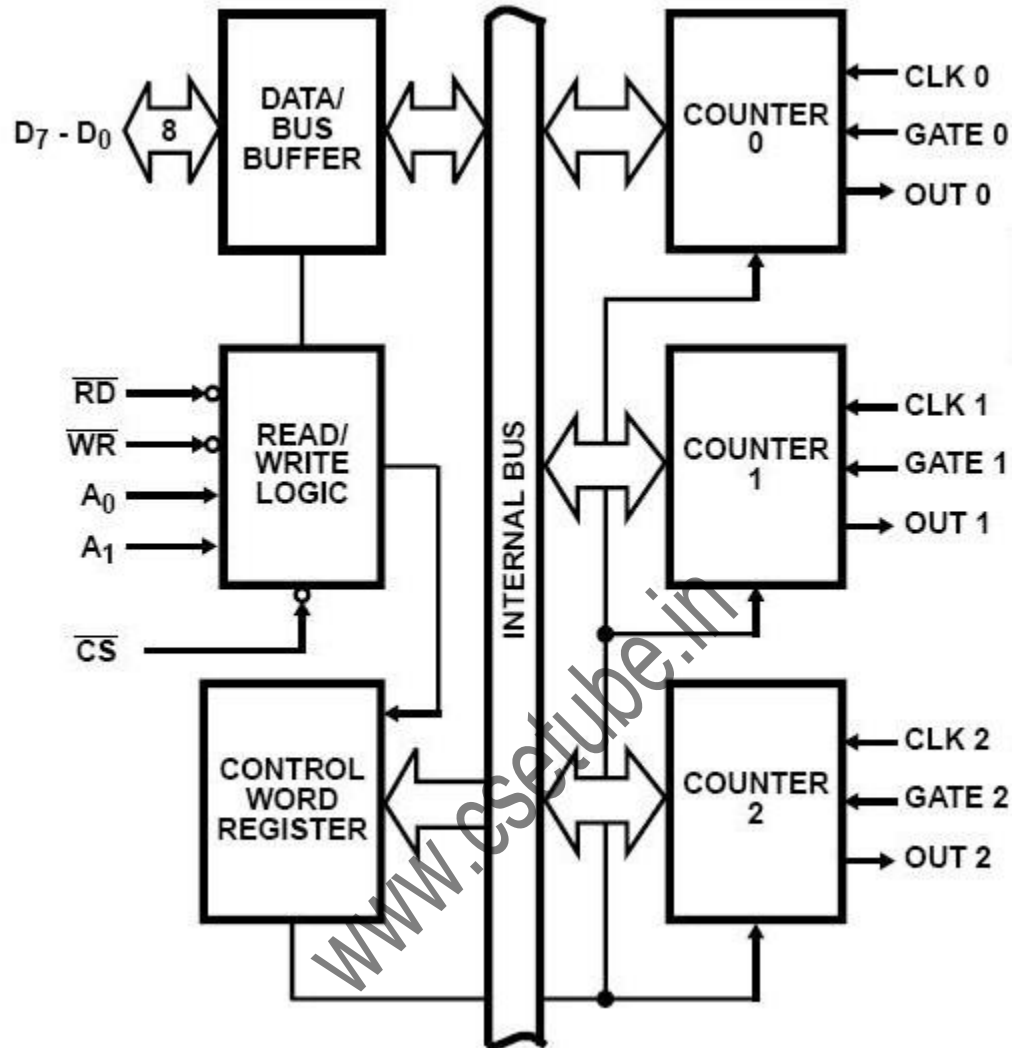

8237(DMA Controller)

8251 Block Diagram:

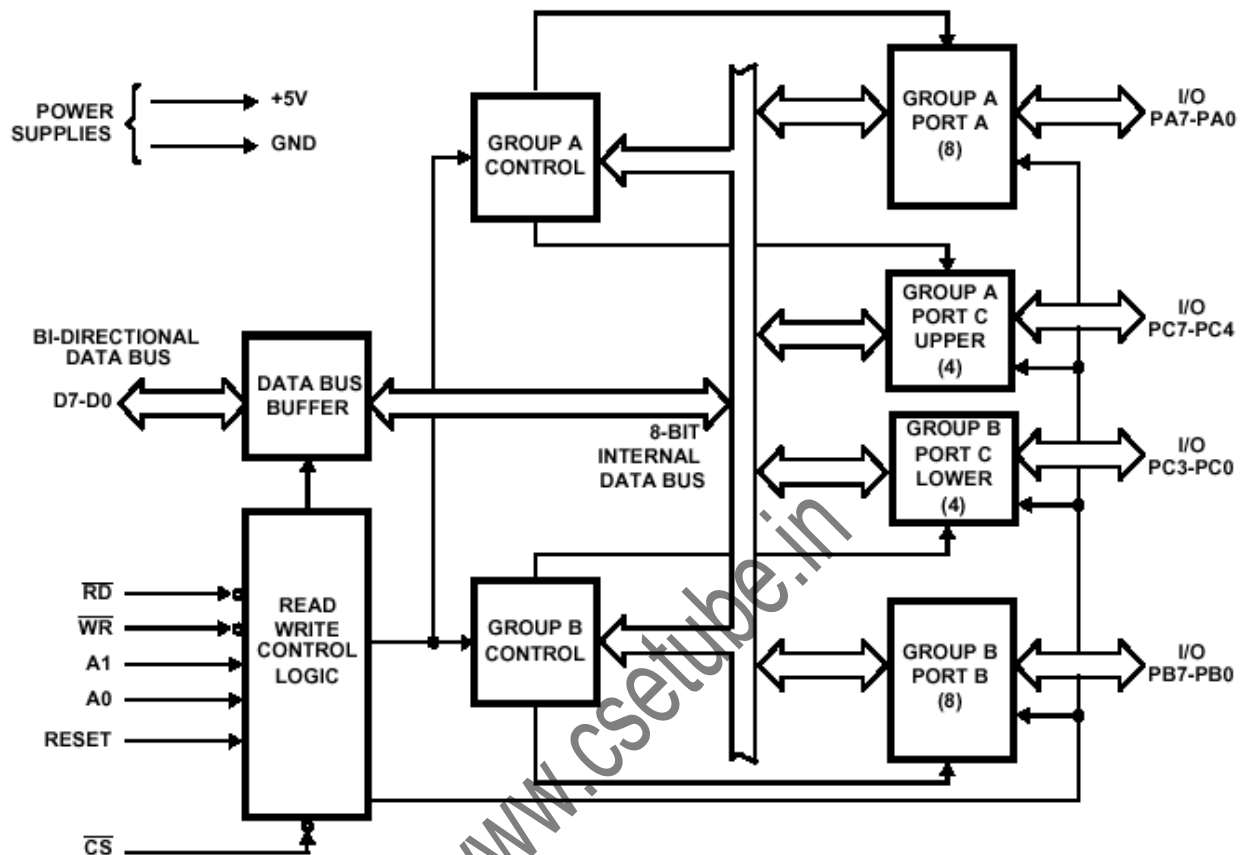

8253 / 8254 Block Diagram:

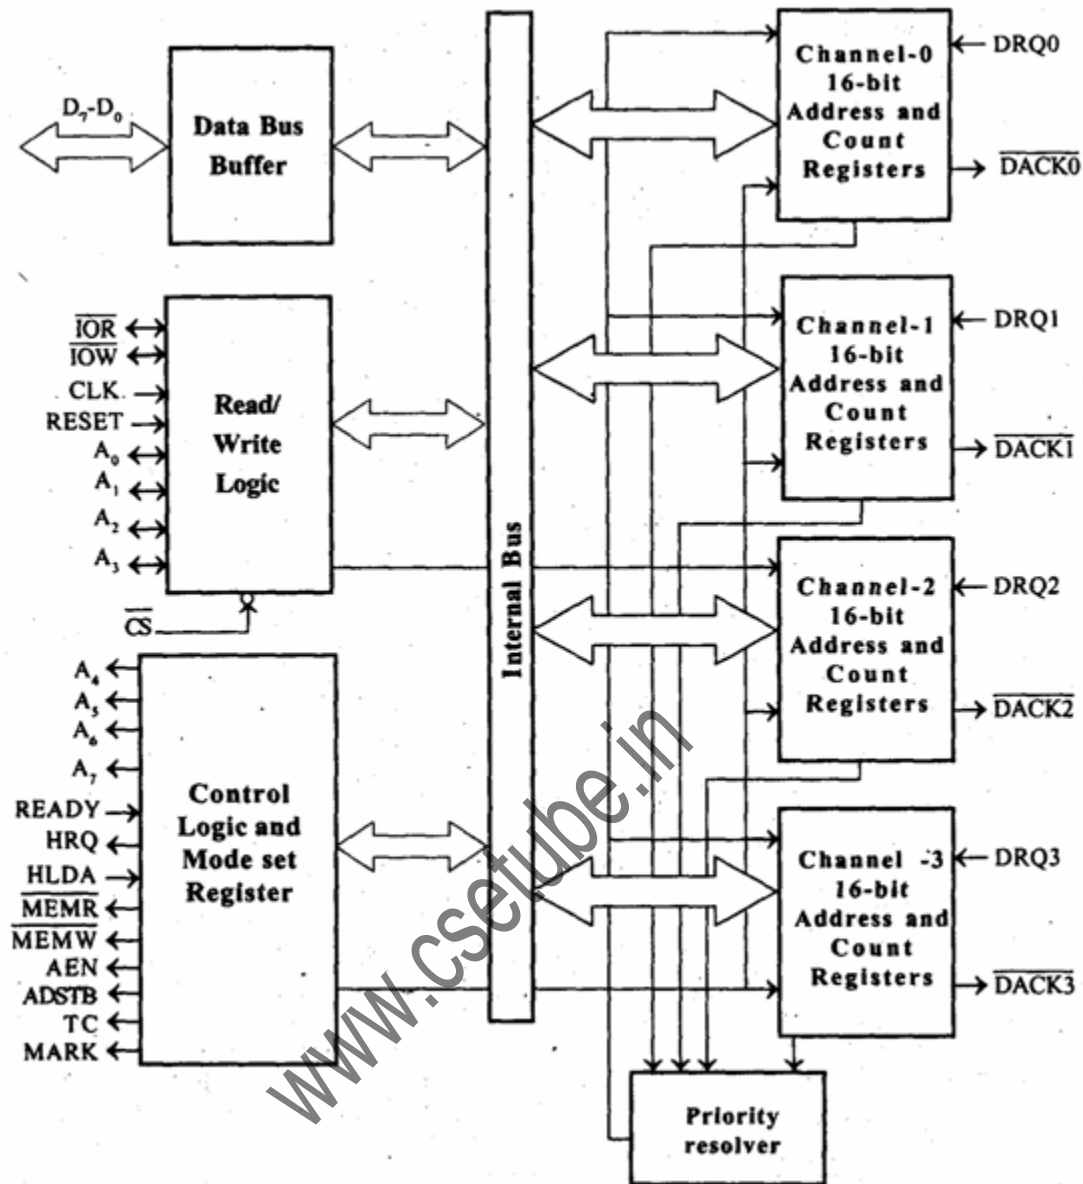

8255 Block Diagram:

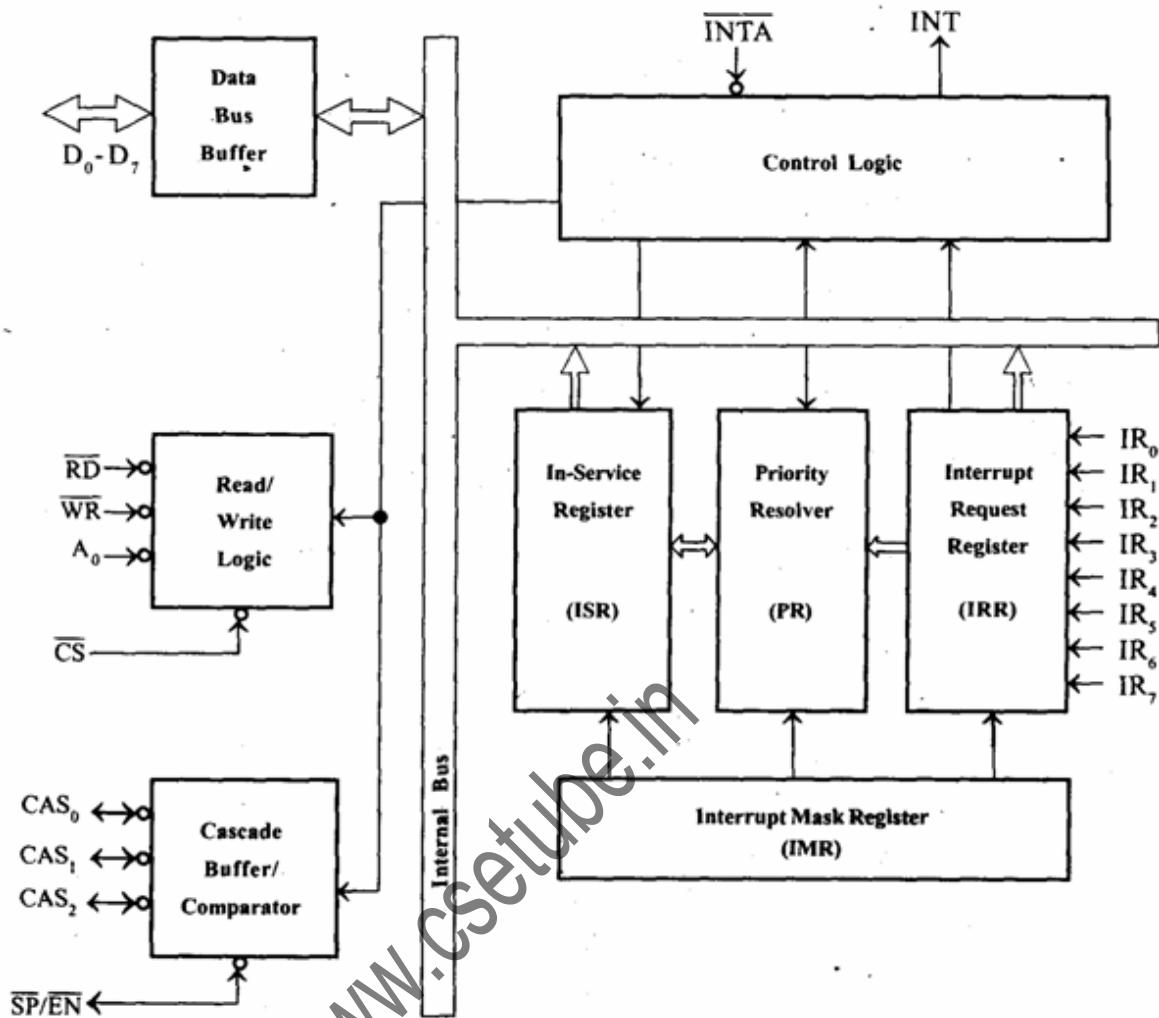

. This is not the prescribed diagram. The diagram in the prescribed book says about interfacing 8255 with 8085 not dealing with its architecture. So we have put commonly used diagram.
